TravelMart LatinAmerica (TMLA) introduces a new product information resource for registered Buyer Delegates attending this year’s **TMLA’17**, September 13, 14, 15, in Guayaquil, Ecuador: “Selling Ecuador: The Hot List.”

Over sixty (60) **TMLA’17** Suppliers from Ecuador submitted information about their newest products and services. This information has been compiled and edited by Carla Hunt, one of the Travel Industry’s most experienced and respected Journalists, into an easy to read and use list. “Selling Ecuador: The Hot List” is an excellent resource for Buyers preparing to request pre-scheduled appointments with Suppliers, and for planning their pre and post tours.
