Quito, Ecuador To Host
TravelMart LatinAmerica '19
September 18-20, 2019

(Jacksonville, Florida, USA & Quito, Ecuador.) William H. Coleman, Inc., the Ecuador Ministry of Tourism, and Quito Turismo confirm that Quito, Ecuador will host the 43rd Annual **TravelMart LatinAmerica (TMLA)** September 18-20, 2019. **TravelMart LatinAmerica** is returning to this popular South America tourism destination after a 6 year absence. The last time this prestigious event was held here was in 2013. **TMLA** has been held in Ecuador seven times previously – Quito (1983, 1991, 2003, 2008, 2013) and in Guayaquil (1998 and 2017).

About 225 Travel Industry “Buyers” from the United States, Canada, Europe, Asia, and the Pacific, and over 200 Supplier Companies from all Latin America destinations attend each year. A small group of selected International Travel Journalists also participate.

The **TravelMart LatinAmerica** format features the exclusive “*Select Match*” pre-scheduled appointments system that arranges meetings between “Buyers and Suppliers” in advance. Almost 6,000 business appointments are expected to be pre-scheduled for this year’s **TMLA'18** Event held September 19-21 in Buenos Aires, Argentina. **TravelMart LatinAmerica** attendance traditionally “sells out,” and that has happened again this year. Total attendance is limited to 800 delegates, and the number of Buyers and Suppliers is monitored carefully to provide a productive business experience for everyone.

All the **TravelMart LatinAmerica (TMLA)** Buyers and Suppliers will be staying at Host Hotels in Quito.

Most of the **TMLA** delegates will visit tourism sites throughout Ecuador by taking special Pre and Post Tours offered by registered Suppliers.

Mrs. Irma Coleman, President & CEO of William H. Coleman, Inc., the **TravelMart LatinAmerica** organizing company, said: “We are very pleased to be returning to Quito, one of the international Tourism Industry’s most popular destinations. We are looking forward to working together with a dedicated group of Travel Industry professionals from the Ecuador Ministry of Tourism, Quito Turismo, and the private sector companies who are providing supporting services.”
