We have been honored with the choice of our company to provide the service of providing stands for this important event.

For Ingetronic it will be a pleasure to support you!

The banner features a photograph of a trade show booth with people interacting. A purple overlay contains the event details: **PANAMA CITY, PANAMA**, **September 21-23, 2022**, and **“ SORTIS HOTEL, SPA & CASINO ”**. Navigation links at the top include Home, Registration, Event Details, About TMLA, Sponsorship Info, Useful Links, and Visit Panama. A 'Register Now' button is visible on the right. Below the photo, the text 'It's Professional. It's Productive. It's Personal.' is displayed with a progress indicator. The bottom section contains logos for Delfin, Travel 2 LATAM, Viajes Anita, Panama Live For More, and Visit Colombia.

-

20 BOOTHS

Equipment:

- 1 round aluminum table
- 5 chairs with black lining
- 1 trash can
- 1 cold light lamp
- 1 electrical outlet with 2 inputs

BOOTHS CONTRACTING AGREEMENT

1. Ingetronic offers the stand labeling service and for this service we indicate the measurements and specifications of the gear. They must be sent according to our instructions

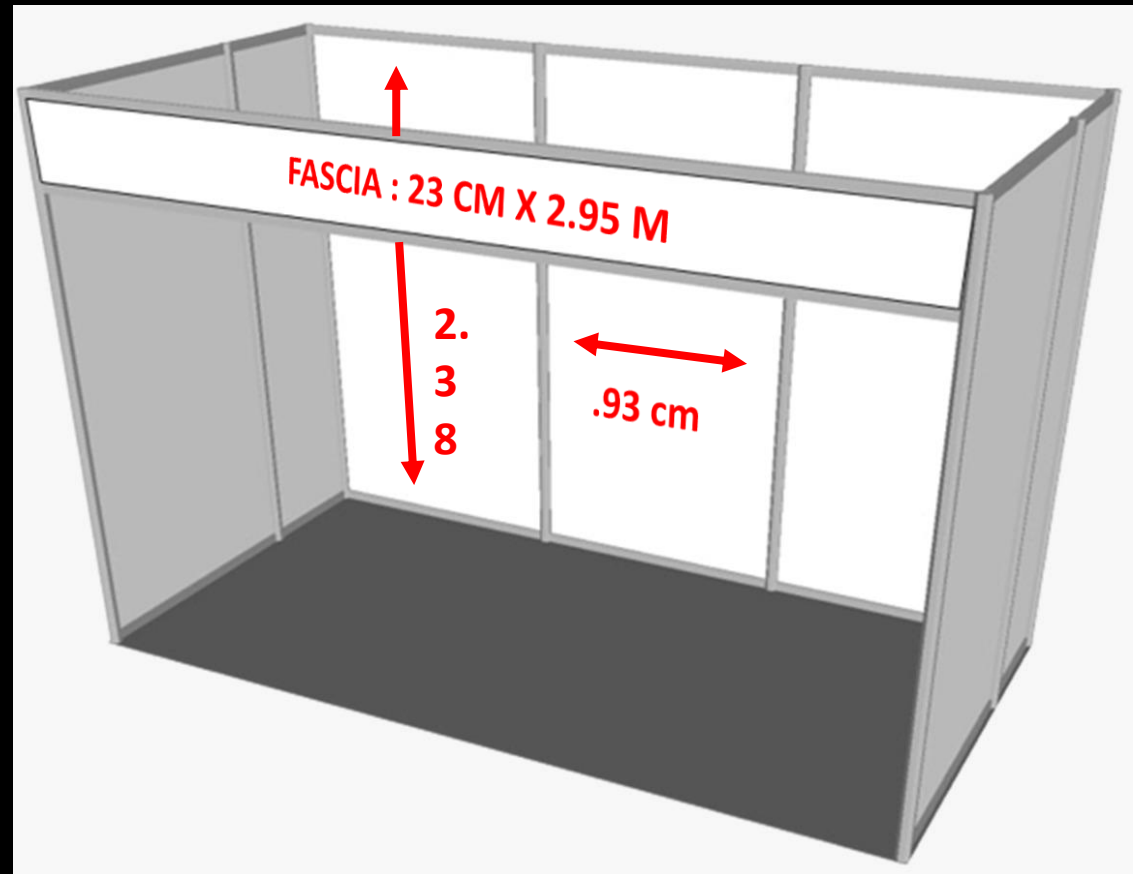

2. The stands measure 3 m - wide x 2m deep.

Measurement of each panel to print:

Height 2.38 meters x 0.93 cm wide.

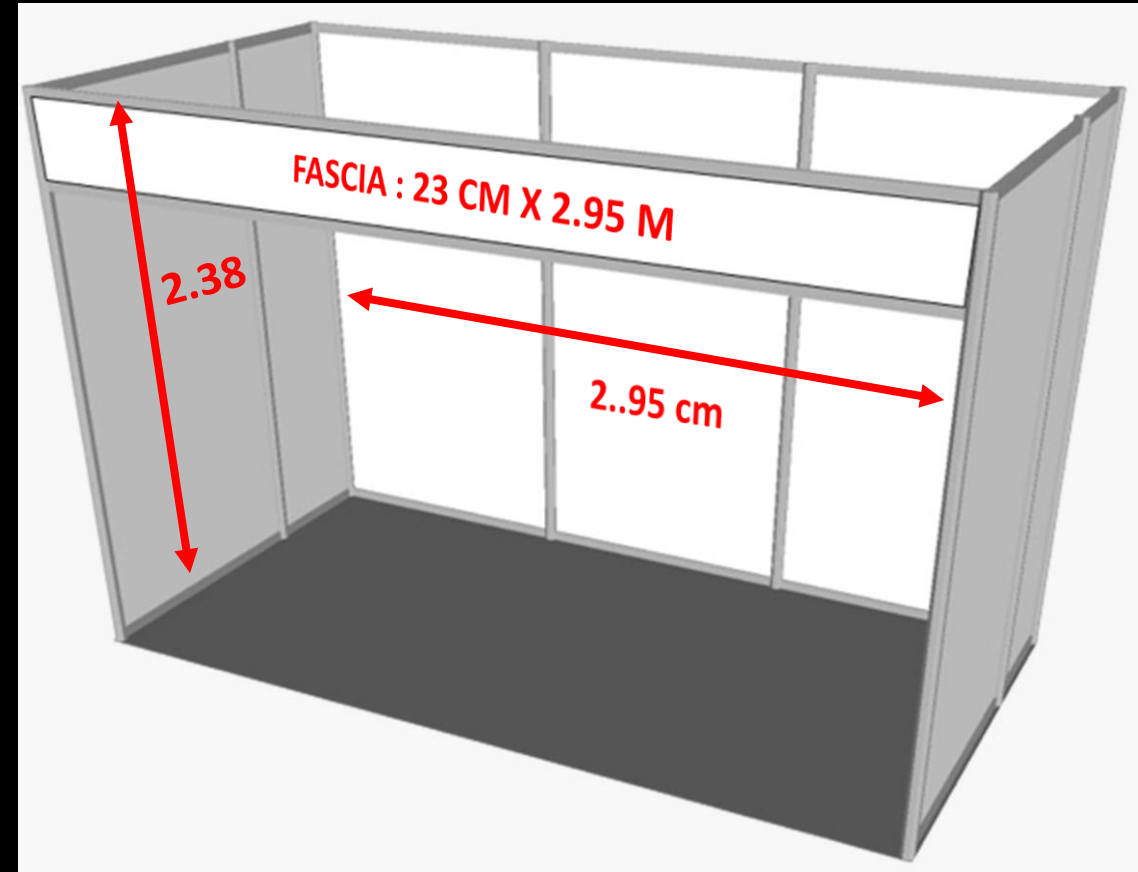

Custom artwork in PDF. JPG or AI Editable

Each art must be numbered according to the panel from 1 to 5 (according to the sample)

BOOTHS CONTRACTING AGREEMENT

3. If the client wishes to place their images continuously, they can be placed using a frame system. wall
rear: measure 2.95m wide x 2.38 cm high (see model)
side walls: 1.95 cm x 2.38 high

BOOTHS CONTRACTING AGREEMENT

4. Stands and panel use recommendations:

- the stands provide electricity at 120 volts. In case of requiring 220 v, the organizer must be requested to make the arrangements with the venue
- the panels must not be perforated with screws, nails or any other system that may cause damage
- the walls should not be labeled with abrasive, foam tapes, they cannot nail or staple any element. foamboard must be glued over the aluminum profile.
- if you need to place banners, you can fix the adhesive tape on the profile, never on the panels.
- replacement cost of each panel due to damage, breakage, stains due to foam adhesive or other element will be US\$ 85.00 each
