

Travel Mart 2022

Excursion sponsored by Aventuras 2000 for the participants of the Travel Mart 2022 Event

Meet Panama: The History and Biodiversity

We have organized a complete experience for participants, allowing them to enjoy an ecological experience in the Gamboa Area and also the Cultural one in Panama City. The following activities will be included in the excursion:

Aerial Tram: Travel along the rainforest within the boundaries of Gamboa Resort. In the midst of the 55,000-acre Soberania National Park, the Aerial Tram allows you to discover the secrets of the upper forest canopy. The Tram takes you from the shadowy forest floor through the understory and into the sun-drenched canopy. Take in a bird's-eye view of a thousand hues of green, interspersed with the fluorescent exclamation points of flowering trees.

Visit the Ecological Exhibits and Monkey Island: visit the ecological exhibits; a refuge for native species, including a sloth sanctuary, orchid & butterfly garden and frog exhibit. Finally, climb aboard a small boat and visit Monkey Island in Gatun Lake. After an exhilarating ride at high speed right through the heart of the Panama Canal, the boat will slow down and enter the labyrinth of jungle-covered islands of Lake Gatun. In this protected area the wildlife is plentiful, and you are likely to encounter capuchin monkeys, 3-toed sloth, howler monkeys, various kinds of toucans and other bird life as well as caimans, crocodiles, turtles and wealth of butterflies.

Lunch & Modern Panama City: once the ecological experience is over, you will enjoy lunch at a local restaurant located in the Amador area. During this visit, you will also experience the Amador Zone, which is connected, by 4 islands. Also learn about the history behind Panama City and its development to what we know today as Panama City; a modern attraction and iconic city in Latin America.

Casco Antiguo: walk through Casco Antiguo, Colonial Panama, and enjoy the Paseo Esteban Huertas, the Metropolitan Cathedral, the National Theater, Plaza Simon Bolivar and many other tourist attractions of the colonial period.

Excursion Includes: Ground transportation (bus), water transportation (boat), entrances to the Aerial Tram and ecological exhibits, 3-course lunch, bilingual tour guide, bottled water bottles and snacks onboard the buses.

Recommendations: Light clothing, sunglasses, sun block, insect repellent, comfortable walking shoes.
