## YATE CACHALOTE EXPLORER- PREMIUM MOTOR YACHT 16 PASSENGERS

Built in 1988 in Vancouver - Canada this large and spacious motor vessel was converted into a passenger vessel in the early 2000's. The Galapagos cruise ship will have 8 cabins (16 pax.) each with their own private bathroom equipped with Hot and Cold-water shower, air-conditioned throughout, and a large salon/dining area with multiple large deck areas for relaxing, eating and socializing.

This charming and comfortable First-Class yacht was built for the rough waters of the Canadian West Coast, so it will provide a stable, smooth and relaxing ride while on your beautiful Galapagos small ship tour.

Description: Cachalote Explorer is a fully air conditioned modern motor sailor. The salon is equipped with flat screen and DVD systems. It can accommodate 16 passengers in 8 double cabins (2 upper deck cabins with windows, 6 lower deck cabins with portholes, 4 lower/upper berths, 2 with matrimonial beds. Cabin #1 in upper deck has three beds lower queen / lower single / upper single and Cabin #2 in upper deck has lower queen / upper single. All cabins have en-suite bathrooms equipped with hot & cold water showers and are fully air conditioned.

The boat has spacious social areas with all the comfort and facilities of a superior motor yacht with panoramic windows in the salon/dining area. Enjoy your time on board in the spacious sundeck or relax in the social areas.
