SANI LODGE: AMAZON RAINFOREST EXPERIENCE

NATURE – CULTURE – ADVENTURE

We are delighted to invite you to experience the wonders of the Amazon through our eco-friendly, community-based tourism program. Sani Lodge is dedicated to biodiversity conservation, setting aside 10,000 hectares of pristine primary forest for tourism. The lodge's exclusive 14 cabins guarantee an intimate, sustainable experience, with a personalized service that supports the conservation of the Amazon Rainforest and local communities directly.

ITINERARY 3D / 2N

Day 1: Quito - Coca - Lodge

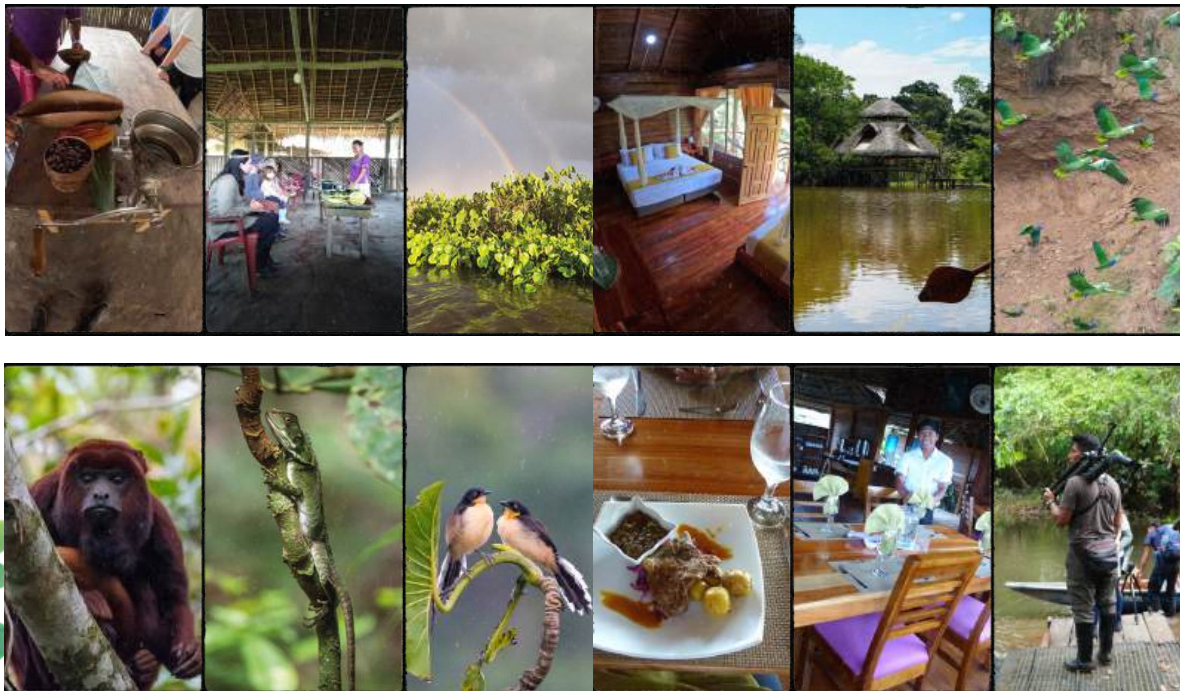

The trip begins with a short 30-minute flight from Quito to Coca. After landing, guests will embark on a three-hour navigation while enjoying a packed lunch. This will be followed by a 20-minute paddle in a canoe along the Chawlayacu River to the lodge. A welcome talk, snacks, and drinks will be provided. In the afternoon, guests will enjoy a canoe ride in the lagoon, followed by early dinner and a night walk.

Day 2. Clay lick - Yasuni National Park - Sani Warmi

The day's activities begin with an early breakfast, followed by a departure to the Napo River towards the Parrot clay lick for wildlife viewing from the canoe. After this, there will be a 2 ½-hour walk in the Yasuní with snacks, to continue with a visit to Sani Warmi to enjoy costumes, traditions and a typical lunch. Back to the lodge in the afternoon, dinner and a night canoe ride.

Day 3: Returning Back

After an early breakfast, take a final canoe ride through Chawllacocha Creek, accompanied by the Amazonian wildlife and the sunrise. Board the motor canoe on the Napo River to depart this magical land and arrive on time for the flight to Quito.
